Pulborough and District Community Care Association are a registered charity and have been providing services and activities, mostly for senior citizens in Pulborough and the surrounding villages since 1966.

We currently have an opening for a Treasurer on a voluntary basis to continue the smooth running of our accounts.

If you have a couple of hours spare each month and are looking for a way to be involved in your local community then for further information and an informal chat or for a description of the role, please contact Alan Sugarman on alanandanne.t21@btinternet.com
